The following is an examiner's statement of reasons for allowance: The prior art rejection set forth within the Office action of December 12, 2003 has been withdrawn in view of applicants' remarks within the response of March 11, 2004 and further in view of the unexpected results, with respect to the waterproofness of the polyurethane film, set forth within Table 1 on page 11 of the specification, attributable to the use of the claimed araliphatic diol. One could not have predicted that the use of the araliphatic diol would substantially improve the waterproofness of the film.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Rabon Sergent at telephone number (571) 272-1079.
